Shadow Government: What Obama Doesn't Want You To Know About His Czars" Book Set For Mid-September Release from National Republican Trust PAC

ARLINGTON, Va., Sept. 2 /PRNewswire-USNewswire/ -- The founders of the National Republican Trust PAC (NRTP), Scott Wheeler and Peter Leitner, are set to release a powerful expose on Barack Obama's unelected shadow government. The book, "Shadow Government: What Obama Doesn't Want You To Know About His Czars," scheduled for release in mid-September is available for order at GOPTrust.com. Several thousand copies have been pre-ordered by the public.

Wheeler and Leitner take readers into the world of Obama's powerful elite, tapped to run the government without standing before the United States Senate for confirmation, as members of any president's cabinet are required to do by the Constitution. "Shadow Government" exposes the radical agenda of the Obama power elite, and why he has handed them power and authority and bypassed the Senate confirmation process.

Many of Obama's 35 "czars" might never survive even the current Democrat majority Senate scrutiny or obtain security clearance.

-- Adolfo Carrion, former Bronx Borough President with a history of taking

bribes and putting the interests of his donors above those of the community was named Director of Urban Affairs by Obama.

-- Ron Bloom, labor leader, is at the helm of the unprecedented government

interference into the private sector. With no real experience in the auto industry, Bloom is the successor of the even less qualified

Steven

Rattner, who left his post amidst an SEC investigation into his private

equity firm. Bloom is a former investment banker who made his name working with the United Steelworkers union.

-- Van Jones, a self-avowed communist, was appointed Special Advisor for Green Jobs, Enterprise and Innovation at the White House Council on Environmental Quality (Green Jobs Czar).

-- Kevin Jennings was appointed to be Safe Schools Czar. Jennings has actively promoted homosexuality in elementary schools, middle schools, high schools and on college campuses and has distributed graphic material to children as a way to support his crusade.

-- Carol Browner, Obama's Energy Czar, was listed as a commissioner in

Socialist International, the worldwide organization of social democratic, socialist and labour parties.
